

Last week we mailed you a survey packet. We have received phone calls that some of the question numbers on the printed survey are incorrect. When the survey was printed, the question numbers restarted on page 5. This has led to some confusion when filling out the survey. Please follow the steps below to correctly fill out the survey:

**1. Starting on PAGE 5**

**2. Cross out question numbers**

**3. Renumber each question. #1 on page 5 will become 14. Continue to end of the survey. The last question # is 70 on page 22**

We apologize for this inconvenience. If you would rather have a new copy of the survey, you can pick one up at the Kearns Library or email [hjudd@utah.gov](mailto:hjudd@utah.gov) or call 385-408-0766. Please reach out with any questions or concerns. If you would like to take the survey in another language, contact Hailey at the email or phone provided.

Thank you for taking the time to complete the survey,

The Healthy Kearns Movement Team
